Homework Guidelines and Expectations

At Future Leaders International School, our dedication is rooted in research-based practices, which consistently reveal that fostering strong reading habits directly influences future academic success. Children may be periodically assigned projects, reading assignments, math practices, complete performance tasks or asked to reflect on their learning. Throughout the year, Over the course of the academic year, students are provided with opportunities to participate in enrichment activities tailored to their individual needs. These activities aim to reinforce essential skills aligned with curriculum standards, enabling students to not only acquire new skills but also to master grade-level expectations.

On occasion, children may need to complete unfinished schoolwork, and should additional support be necessary, the teacher will promptly contact you.

Homework Rules:

Homework comprises activities or assignments that students can complete independently with minimal adult assistance within a reasonable timeframe. Assignments are purposeful and relevant. Daily activities, including independent reading, games, math practice, and enrichment, should not exceed 20 minutes for grades 1-2, 30 minutes for Grade 3, and 40 minutes for Grades 4, and 50 minutes for grade 5.

Teacher Guidelines:

Teachers communicate the weekly plan with parents on Seesaw, where students receive their daily assignments. Specific pages torn from books may be provided, and online reading on platforms like Seesaw, Bravo Bravo, and Nahla and Nahel is assigned weekly. Teachers offer a clear homework schedule, provide instructions, collect, revise, discuss, and return homework in a timely manner, offer constructive feedback, report missing assignments to parents, and provide students with an additional deadline for submitting missing assignments if needed.

Parent Guidelines:

Parents are encouraged to create a quiet space and provide basic materials for homework completion. Teaching time-management techniques, monitoring productivity, reviewing expectations and assignments with students, and communicating promptly with teachers regarding consistent difficulties are suggested actions for success.

Student Guidelines:

To maximize success, students are advised to complete homework by the due date, seek clarification when needed, use class and home time efficiently, and submit neat, high-quality work.

Bag Weight Policy:

In consideration of children's wellbeing, it is recommended that a child's school bag does not exceed 5-10% of their body weight to prevent adverse effects on their spine and body. Books are left in the classrooms, and students use them based on the homework schedule. Books are sent with students only when assessments are scheduled.
