Parental Role and Responsibilities in Cultural Consideration

Introduction

At FLIS - Rabdan, we recognize the vital role that parents play in fostering a culturally respectful and inclusive school environment. As part of our commitment to upholding the cultural values and traditions of the UAE, we expect parents to actively support and adhere to the guidelines outlined in this policy. By working together, we can ensure that our school community remains a place of mutual respect, understanding, and cultural appreciation. This section outlines the responsibilities of parents in maintaining a culturally considerate environment, ensuring that students receive an education that aligns with the values and regulations of the UAE.

1. Induction and Ongoing Awareness

- Parents participate in cultural consideration awareness induction sessions upon their child's enrollment at the school.
- Annual refresher training is provided to ensure parents remain informed about UAE cultural norms and expectations.

2. Respect for UAE Cultural Norms and Community Conduct

- Parents uphold and respect the cultural and social values, norms, and traditions of the UAE.
- Parents ensure that their interactions and communications within the school community reflect cultural sensitivity and do not promote stereotypes or preconceptions about the UAE.
- Parents refrain from engaging in or endorsing behaviors, practices, or displays that are culturally inappropriate, including discussions or materials related to alternative gender identity and sexual orientation, drug and alcohol use, violence, and indoctrination.
- Parents do not use or promote symbols, colors, or imagery associated with political, social, or extremist religious groups that are inconsistent with UAE cultural considerations.
- Parents maintain culturally appropriate attire when attending school-related events.
- Parents support the school's efforts to ensure that all school-organized events and celebrations align with UAE cultural values.

3. Parental Oversight of Online Content

- Parents actively monitor their child's internet usage at home to minimize exposure to inappropriate content.

4. Reporting Non-Compliance

- Parents report any non-compliant content found in school resources to the school administration and ADEK's Parent Hotline (800 2335).
- Parents exercise caution when sharing or posting school-related information on public forums and social media to ensure compliance with cultural and regulatory guidelines.
